FULL-LEAF BIODYNAMIC® ORGANIC DARJEELING

A CUP OF VITALITY
From Northern India, this Darjeeling has a leaf grade of FTGFOP1 (Finest Tippy Golden Flowery Orange Pekoe - Extra Special). Enjoy the muscat grape notes and floral finish.

INGREDIENTS 100% Biodynamic,® Organic Darjeeling black tea leaves FTGFOP1

10610 2.8 oz Tin

BIODYNAMIC® FARMING

Biodynamic® agriculture is a comprehensive form of organic farming that views the farm as a self-sustaining ecosystem. It was developed in 1924 by Rudolf Steiner who suggested that farmers stop thinking of their farms as factories and instead as living organisms that follow the cycles of nature. Biodynamic® is often referred to as the "gold standard" of organic farming. As a result, these teas are intensely flavorful and spiritually uplifting, Sip by Sip.

DEMETER CERTIFIED

Demeter Association is the leading organization responsible for certifying Biodynamic® ingredients and products in the United States. Founded in 1985, Demeter's mission is to enable people to farm successfully in accordance with Biodynamic® practices and principles, healing the planet through agriculture.
